Dr. Elizabeth Jacob, Dr. Samir Pradhan, Dr. R. K. Purohit**
Convener: Dr Sonal Bathla

The Master Class on Vaginal surgeries has been conceived to enhance the knowledge and skill in vaginal route surgeries amongst practitioners and youngsters. The Cochrane database promotes vaginal route of hysterectomy over other routes in view of feasibility, cost, patients comfort & least complication rate.

We have meticulously planned 6 modules spreading over 12 hours online to deal with basic anatomy of pelvic floor, non descent vaginal hysterectomy & associated challenges, surgeries for uterine & vault prolapse and incontinence. The faculty is from the Society of Vaginal Surgeons of Delhi and India which will be deliberating on evidence based practices.

This academic exercise will open new horizons towards keyhole surgery via natural route.

MASTERCLASS ON VAGINAL SURGERIES JAN 6-24TH

1st Masterclass on Vaginal Surgeries*

The Society of Vaginal Surgeons of India & Delhi, in association with *DGF Civil Lines Forum and Okti Foundation, organized the *1st Masterclass on Vaginal Surgeries* from January 6th to January 24th, 2025. The program was structured into six modules, featuring 26 lectures. The course was guided by Dr. Sharda Jain, Dr. Manju Puri, and Dr. Kishore Rajurkar, with Dr. Sonal Bathla serving as the convenor. The event saw active participation from 70 delegates and 26 faculty members. The course content covered a comprehensive range of topics, including: Basic Vaginal Surgeries Pelvic Organ Prolapse Nondescent Vaginal Hysterectomy Perineal Surgeries Surgeries for Urinary Incontinence This successful model was supported by the IT Department of Sant Parmanand Hospital, enabling students from remote locations to attend sessions on various vaginal surgeries. The interactive format allowed for one-on-one discussions with expert faculty, ensuring personalized learning. Each faculty member was a master in their field, addressing delegates' queries with precision. The experience was highly gratifying for the faculty and provided a valuable learning opportunity for participants, who could enhance their surgical expertise from the comfort of their work place with much less expense.

NORTH ZONE SOVSI CONFERENCE 8TH & 9TH FEBRUARY 2025

“North zone conference of the society of Vaginal surgeons of India ” organized by Department of obstetrics & Gynaecology , HIMSR in association with SOVSI DELHI CHAPTER on 8th & 9th February , 2025 along with release of “Gynae surgery module (3rd edition) and Special issue of Pan Asian Journal held in Lecture theatre 6 , HIMSR

- The Dept of Obs & Gynae, HIMSR organized the “North zone conference of the society of Vaginal surgeons of India” in association with SOVSI DELHI CHAPTER on 8th & 9th February, 2025 at HIMSR. It was a 2-day event with lectures and panel discussions on the first day and live demonstration of surgeries from OT on the second day. There were 15 didactic lectures and 3 panel discussions on the first day elaborating and analyzing the various aspects of different vaginal surgeries. It was attended and well appreciated by around 200 delegates from different states (Kashmir, Jammu, Kanyakumari, Assam, Madhya Pradesh, Punjab, Haryana, Andhra Pradesh, Odisha, Maharashtra, etc) of India including faculty. There were around 44 paper/poster/video presentations by candidates from Delhi and outside. The presentations were marked and evaluated and prizes were given under 5 different categories. All the abstracts are published in Pan Asian Journal of Obstetrics & Gynaecology.
- The second day had live transmission of 10 different vaginal surgeries distributed over 5 different sessions from the OT. Operating faculty included stalwarts from all over India: Dr Hara Patnaik, Dr Ashish Kubde, Dr Ashok Todani, Dr Mukesh Rathi, Dr Nikhil Khattar, Dr Uma Rani. The audio visual transmission was an academic treat which kept the delegates and faculty mesmerized. There were extensive deliberations on the nuances of vaginal surgeries which benefited the delegates a lot. The scientific sessions were a boon for all the residents of our department as they could interact with the stalwarts of the field and gain insight into the skills of vaginal surgeries.
- During the inauguration, the Guest of honour, Dr Kishore Rajurkar, President of the Delhi branch of the Society of Vaginal surgeons of India, Dr Sonal Bathla, NZ SOVSI president and Dean HIMSR, Dr Sunil Kohli addressed the gathering and congratulated us for the well chosen scientific program for the conference.
- The 3rd edition of the “Gynae Surgery module” was released in the inauguration by Dean, Dr Sunil Kohli. A special issue of the Pan Asian Journal on vaginal surgeries was also released by all dignitaries for the benefit of all the attendees.
- The conference was a huge success in terms of not only the scientific deliberations and excellent surgeries but also because of the well organized and executed hospitality and arrangements.

SOVSI Kerala chapter is empowered under the leadership of Paily Sir. As National President of SOVSI, Dr. Paily sir's mission is to empower all gynecologists to attain mastery in vaginal surgery and perform the procedure with confidence.

- Our 1st CME has proven to be a success, for which we extend our gratitude to the organizing team led by Dr. Jyothi madam and Hari Prasad sir. And the efficient organization by General Secretary Dr. Deepthi and Joint secretary Dr. Manjula. We also acknowledge the overall support provided by Dr. Elizebeth, National joint secretary and the background assistance from Dr. Venu.

Bhadran Sir, who inaugurated the event, delivered a motivational speech that significantly enhanced its overall atmosphere.

We addressed five topics in Series 1: NDVH, VH, Anterior and Posterior Repair, CPT, and Cerclage. The postoperative complications were effectively elucidated during a panel discussion led by Dr. Elizabeth, with valuable insights provided by Paily Sir and Chellamma Madam.

Total 160 participants.

The afternoon workshop session was the most engaging segment. However, due to logistical constraints, we had to limit the number of participants to 60 in hands on training. Hands-on training was provided for NDVH, cervical cerclage, and CPT, along with video demonstrations of the surgeries.

HONORING PRESIDENT SOVSI ,DR V P PAILY

SOVSICON Mid zone conference and workshop series 1.0 conducted at Amala institute of Medical Sciences on 26 th January 2025 . This was jointly organised by SOVSI Kerala chapter, TOGS and Amala institute of Medical Sciences. Around 130 delegates participated . Morning CME had video workshop on basics of vaginal surgery - VH , anterior and posterior repair, NDVH, cerclage and CPT. Each presenter had a video presentation for 10 min which was critically analysed by experts followed by audience interaction . Afternoon there was a unique skill training session using models created by Dr VP Paily where around 70 youngsters were trained in suturing in deeper pelvis, cerclage and CPT.

Inaugural ceremony was special as it also had installation of Kerala chapter of SOVSI . It started with the remembrance of Late Dr Rustom Phiroze. Rev Fr Julious Arakkal CMI , Director Amala institute of Medical Sciences inaugurated the conference and delivered the inaugural speech. Rev Fr Julius Arackal CMI also honoured Dr V P Paily National President SOVSI by adorning the Ponnada. Dr Anoj Kattukaran, Head of dept of OBG Amala honoured Dr Elizabeth Jacob National joint secretary .Dr V P Paily installed Dr Reena N R as state president SOVSI. She then introduced her team and put forward her vision and mission . Logo of state chapter was also released by Prof VP Paily by handing over to Rev Fr Julius Arackal CMI. An MOU was signed between TOGS and SOVSI for acquiring new office .

The event was highly appreciated by the faculty and delegates. They appreciated the arrangements with special mention about the support of Amala Institute of Medical Sciences. Everyone was in awe of the creativity of Paily sir and are eagerly awaiting series 2.0.The conference concluded with feedback and refreshments.
